

## NEW GUNDICHA TEMPLE

International Society for Krishna Consciousness of New England  
Sunday School for children ages 5 to 13

Help your children learn about Krishna consciousness in a fun and informative way!

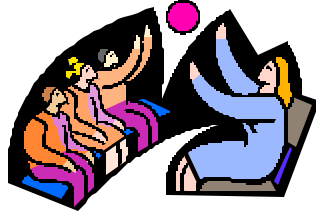

At the ISKCON Boston Sunday School, your child will have the opportunity to...

...study Bhagavat Gita and other Vaisnava scriptures through philosophy discussion.

...apply devotional life practically through crafts, music and other hands-on activities.

...learn about Vaisnava etiquette.

...build lasting friendships with other devotee children.

*"Take care of the children... These children are the future hope of our society... One day they will turn the world by their preaching."*

**Srila Prabhupada**
